

Orange: Supporting complex dementia for health professionals

Dementia Support Australia invites you to a **FREE LOCAL EVENT for healthcare professionals including aged care, acute care, disability care or any other health service.**

In this valuable 3-hour session you'll hear directly from our team to unpack complexity in care, including: assessing and supporting changes to behaviour including mental health comorbidities, understanding expressions of sexuality and reflecting on relationship based approaches in dementia care and navigating referrals to DSA for on the ground support aligned to best practice behaviour support planning.

Event highlights:

- Enhance expertise in dementia care strategies.
- Access latest dementia support research.
- Optimise pharmacological and psychotropic care approaches.
- Build capacity within your team through sustainable solutions.
- Learn directly from dementia care experts.

Event details:

- **Date:** Wednesday 15th October 2025
- **Time:** 2pm-5pm (Registration and afternoon tea from 1:30pm)
- **Location:** The Remington Orange
- Light refreshments will be served from 5pm

To learn more or reserve your seat, scan the QR code, call 1800 423 836 or visit dementia.com.au/events
